***4+1 Masters, 5th Year:** Tuition rate applies after your undergraduate (UG) degree is certified. Certification typically occurs by August 31 for Summer graduates, and December 31 for Fall graduates. As a result, your initial billing statement may be inaccurate as Liberal Arts waits for your degree certification before processing a transfer to the graduate division. In most cases, this will extend the payment due date one month, as your original tuition and fees are reversed and replaced with graduate level charges. Tuition and fees will update automatically upon transfer.
