Glossary of Mandatory Fees

The fees listed below are mandatory costs of attendance and are due from the student regardless of participation or receipt of a funded service. Fees are not refunded after the deadline listed on the University Academic Calendar for 100% tuition and fee refund.

Academic Support Services Fee (Nursing Only) – This fee supports student uploading and storage of clinical compliance data and communication related to compliance and successful course completion. It includes a comprehensive testing and review program, integrated throughout the curriculum, with learning tools that measure mastery of course content, identify strengths and areas for improvement, improve test-taking abilities, and ultimately support successfully passing the professional licensure exam (NCLEX).

Student Activity Fee - The student body at Tulane has assessed itself a Student Activity Fee to support its activities. The Student Activity fee entitles students to participate in or attend supported activities, readership of a weekly student newspaper, and admission to many events, movies, and lectures.

Campus Health Fee - The Campus Health fee provides students with primary, psychiatric, and contraceptive care at the Campus Health Center. It also contributes to health education programs, drug/alcohol counseling, and the Tulane Emergency Medical Service. This fee is not a health insurance premium.
