Glossary of Mandatory Fees

The fees listed below are mandatory costs of attendance and are due from the student regardless of participation or receipt of a funded service. Fees are not refunded after the deadline listed on the University Academic Calendar for 100% tuition and fee refund.

Academic Support Services Fee: The Academic Support Services Fee provides certain academic resources to all Tulane students. The fee enables students to access the University's computer services, data, voice, and Internet, including services provided by outside vendors. In addition, tutoring and counseling services, an online library, inter-loan services, and other support services, such as the language and science laboratories, are covered by this fee.

Student Activity Fee: The student body at Tulane has assessed itself a Student Activity Fee to support its activities. The Student Activity fee entitles students to participate in or attend supported activities, readership of a weekly student newspaper, and admission to many events, movies, and lectures.
