

Graduate and Professional Programs

The primary program of the enrolled student determines tuition and fee rates. This document describes tuition and fees for graduate and professional students in Summer 2024. Except where otherwise noted, these rates apply to all registered credit hours in the semester. These costs do not include abroad and field study programs, books, and other optional campus services such as housing, dining plans, parking permits, etc. Summer semester tuition and fee rates are updated annually.

Additional course fees may be required, as listed on the schedule of classes.
